

Hello everyone. Today's focus is on reading and viewing of Poetry. Learners will have to brainstorm all the words that have to do with the theme in the poem.

Learners need to:

- Deduce the feelings of people in the poem based on their facial expressions or body language in the picture or the words used.
- Read the poem and analyse the setting.
- Examine the mood created by the pictures or words used.
- Read the poem and follow the rhythm of the poem
- Paraphrase poem after reading
- Know the main message of a poem

Let learners read the poem for the second time and help analyse figures of speech.

Discuss how using the figures of speech makes the poem more effective.

Ask learners to give their own experiences that are like the poem.

Learners must read poem for the third time.

Request learners to answer questions about the poem.
