

Hoe om jou eie grootboek staander te maak

Jy benodig:

1. 'n Stuk karton, dieselfde breedte as 'n oop Groot Boek (594mm), en 3 keer die lengte van die Groot Boek (1360mm).
2. Maskeerband.
3. 2 wasgoedpennetjies om die karton in plek te hou.

Vou die karton sodat dit 'n A-vorm maak. Gebruik die wasgoedpennetjies om die basis en die voorkant aan mekaar vas te knyp, soos aangedui in die voorstelling hier onder. (Gebruik maskeerband om die stukke aan mekaar te heg, indien jy nie 'n lang genoeg strook karton het nie.) Gebruik nou 2 knypkippies om die boek in plek te hou om jou staander.

First edition 2016

The Department of Basic Education has made every effort to trace copyright holders but if any have been inadvertently overlooked, the Department will be pleased to make the necessary arrangements at the first opportunity.

The Big Books in this series are available in all languages. They were developed by a team of UNISA Language and Education experts as part of their Community Engagement contribution to South Africa's education sector.

Second Edition 2019

Acknowledgment is made of the important work done in the first edition of these Big Books. But in order to meet the President's target that every ten-year-old will read for meaning (State of the Nation Address, 20 June 2019), additional development was required.

First edition illustrations have been used, and new stories and illustrations developed, to craft additional complex stories to explicitly develop critical comprehension skills among young learners.
