TRACKER FOR GROUP GUIDED READING

Please ensure that you do the following:

TERM 2 READING GROUPS

- 1. In the first two weeks of school, sort learners into group guided reading groups using the guidance given in the orientation programme.
- 2. Assign learners to same-ability groups and fill their names in on the table that follows.
- 3. Space has been allocated for 8 groups for teachers who have very large classes.
- 4. Ideally, try to have 5 groups, with no more than 8 learners per group.
- 5. There are 2 copies of table called TERM 2 READING GROUPS. This means that you can update your tables if you make many changes to your reading groups during the term.

TERM 2 GROUP GUIDED READING TRACKER

- 1. Please write the group names in this table.
- 2. In the first column, list all the texts that you have access to. This includes sound and word cards, the DBE Workbook stories, and any graded readers that you may have.
- 3. As each group starts a new text, write the start date in this table.
- 4. Allow groups to progress at their own pace.

PROGRAMME OF ASSESSMENT

In accordance with Section 4 of CAPS, assessment of **Foundation Phase HL** must be done **continuously** in an **integrated manner**, using **different tools**. Assessment must be done **for learning**, and **of learning**. This means that throughout the term, you should assess learners and keep records in different ways, for instance:

- Keeping notes in an assessment note book
- Using a checklist
- Giving written feedback in learners' books
- Use rubrics to assess specific skills, knowledge or competencies

You should **use these assessment records** to **inform the support or extension** that you give to different learners.

At the end of the term, you should **look at all the assessment records and notes** for each learner, as well as the learners' written work. Then, use your **professional judgement** to assign each learner a **rating from 1-7** for **each component of Home Language**.

You may choose to use the following sample assessment plan, or to design your own assessment task, aligned to Section 4 of CAPS:

Tools required for the sample assessment plan:

- 1. Assessment Note Book
 - Use an A4 book for this purpose. Cover and label the book, and include the words: Private and Confidential.
 - Divide each page into two by ruling a line across the page.
 - Label each half page with a learner's name and surname.
 - Include the learner's date of birth.
 - Use this book to keep a record of events in the learner's life that are relevant to their education. For example: *Repeated Gr 1 due to lack of phonic knowledge. Mother passed away in 2019, lives with aunt.*
 - Remember to date each entry.

• Then, record any progress or issues that you notice during the course of the term. And remember, you can assess a learners' language skills in all subjects. Keep notes in the Assessment Note Book, for example: *Still struggling to recognise the blends taught. 05/05/2020.*

2. Assessment Checklist (sample included)

- This programme includes an assessment checklist for the term.
- This includes the main skills, knowledge and competencies that learners should acquire over the course of the term.
- Use this checklist to informally assess learners over the course of the term.
- You may not manage to assess every item on the checklist for every learner, but do as much as you can, by observing learners during different lessons.
- Many of these observations will be fulfilled by implementing the assessment rubrics provided. (see below)

3. Assessment Rubrics (samples included)

- Also included in this programme are rubrics designed to assess specific skills, knowledge and competencies, that are developed in Grade 1 Term 2.
- Use these tools during the course of the term to assess learners.
- Record the learners' results in the Assessment Note Book.

4. Term 1 Composite Recording Sheet (sample included)

- Use this form to record a final rating from 1-7 for each learner, for each component of Home Language.
- First, examine all learner records and results for each component, and then decide on a rating for each learner and fill it in on this sheet.
- Then, work out the overall rating for each learner, for the term.
- Do this by working out an average rating. If you feel this average rating needs to be adjusted up or down one level, use your professional judgement to do so.
- Remember that it is important to be able to **justify the ratings** you assign to each learner, **based on the evidence** that you accumulate throughout the term.

QUICK GUIDE TO SAMPLE ASSESSMENT (SUMMARY)

- 1. Get the required Assessment Tools ready for the term: Assessment Note Book; Checklist; Rubrics; and Composite Recording Sheet.
- 2. Read the integrated Assessment Task for the term.
- **3.** Implement continuous <u>assessment for learning</u> and <u>assessment of learning</u> throughout the term, using all tools.
- At the end of the term, examine all learner records and results for each component, as well as the learners' written work, and decide on ratings of 1-7. Fill these in on the Composite Record Sheet.

PHONICS – SUGGESTED TEST FORMAT

- Towards the end of the term, set up a test based on all the phonic sounds and words that learners have been taught in Term 2. You may also want to include a few sounds and words from the Term 1 programme.
- 2. Tell learners to turn to a clean page and write the heading: Phonics Test
- 3. Next, show learners how to fold a page in their books in half, and to number from 1-10 in the margin, and from 11 20 in the middle of the page.
- 4. Explain to learners that you are going to call the number and then a sound or word. They must write the sound or word next to the correct number.
- 5. If learners do not know how to write a sound or word, they must draw a little line next to the number.
- 6. Train learners to be silent during tests, and not to look at anyone else's work.
- 7. Compile a list of 10 sounds and 10 words to call.
- 8. At the end of the test, collect the learners' books and mark the test.
- 9. Convert to a rating for the composite recording sheet as follows:

The learner has difficulty with specific words and / or sentence structures.	The learner reads smoothly with some breaks. The learner is usually able to self-correct when reading difficult words and / or sentence structures.			
DECODING SKILLS	The learner does not attempt to read unknown words. The learner requires a lot of phonics support from the teacher to read an unknown word. The learner knows no or very few sight / high frequency words.	The learner attempts to read unknown words, but struggles. The learner tries to use phonics but needs support from the teacher. The learner knows some sight / high frequency words.	The learner uses phonics to sound out unknown words, but sometimes needs help to blend the sounds into a word. The learner knows many sight / high frequency words.	The learner uses phonics to sound out unknown words, and can usually blend the sounds into a word. The learner knows all taught sight / high frequency words.			
COMPREHENSION	The learner struggles to answer a lower order question about the text. (What, when, who, etc.)	The learner answers a lower order question about the text, but cannot answer a higher order question about the text. (Why? If you were? Do you think?)	The learner answers a lower order question about the text. The learner answers a higher order question about the text with some support from the teacher.	The learner answers both lower and higher order questions about the text independently.

Tracking of learner performance at the end of the term

The evidence gathered from both **Assessment for Learning and Assessment of Learning practices and situations** will be used to track and report on each learner's performance and progress at the end of the Term and year. The 7 point rating scale will be utilised for this purpose. Below is the composite recording sheet for tracking learner performance and progress.
