## **Tracker for Group Guided Reading**

#### Please ensure that you do the following:

#### **TERM 2 READING GROUPS**

- 1. In the first two weeks of school, sort learners into group guided reading groups using the guidance given in the orientation programme.
- 2. Assign learners to same-ability groups and fill their names in on the table that follows.
- 3. Space has been allocated for 8 groups for teachers who have very large classes.
- 4. Ideally, try to have 5 groups, with no more than 8 learners per group.
- 5. There are 2 copies of table called TERM 2 READING GROUPS. This means that you can update your tables if you make many changes to your reading groups during the term.

#### TERM 2 GROUP GUIDED READING TRACKER

- 1. Please write the group names in this table.
- 2. In the first column, list all the texts that you have access to. This includes sound and word cards, the DBE Workbook stories, and any graded readers that you may have.
- 3. As each group starts a new text, write the start date in this table.
- 4. Allow groups to progress at their own pace.

#### PROGRAMME OF ASSESSMENT

In accordance with Section 4 of CAPS, assessment of **Foundation Phase HL** must be done **continuously** in an **integrated manner**, using **different tools**. Assessment must be done **for learning**, and **of learning**. This means that throughout the term, you should assess learners and keep records in different ways, for instance:

- Keeping notes in an assessment note book
- Using a checklist
- Giving written feedback in learners' books
- Use **rubrics** to assess specific skills, knowledge or competencies

You should **use these assessment records** to **inform the support or extension** that you give to different learners.

At the end of the term, you should **look at all the assessment records and notes** for each learner, as well as the learners' written work. Then, use your **professional judgement** to assign each learner a **rating from 1-7** for **each component of Home Language**.

You may choose to use the following sample assessment plan, or to design your own assessment task, aligned to Section 4 of CAPS:

Tools required for the sample assessment plan:

#### 1. Assessment Note Book

- Use an A4 book for this purpose. Cover and label the book, and include the words:
   Private and Confidential.
- Divide each page into two by ruling a line across the page.
- Label each half page with a learner's name and surname.
- Include the learner's date of birth.
- Use this book to keep a record of events in the learner's life that are relevant to their education. For example: *Happy, well-adjusted child. Good parental support. No developmental problems.* 22/01/2020.
- · Remember to date each entry.
- Then, record any progress or issues that you notice during the course of the term.

  And remember, you can assess a learners' language skills in all subjects. Keep

notes in the Assessment Note Book, for example: Has mastered all phonemes for home language. Uses syllabification and phonics knowledge to decode unknown words quickly and effectively. 05/06/2020.

#### 2. Assessment Checklist (sample included)

- This programme includes an assessment checklist for the term.
- This includes the main skills, knowledge and competencies that learners should acquire over the course of the term.
- Use this checklist to informally assess learners over the course of the term.
- You may not manage to assess every item on the checklist for every learner, but do
  as much as you can, by observing learners during different lessons.
- Many of these observations will be fulfilled by implementing the assessment rubrics provided. (see below)

#### 3. Assessment Rubrics (samples included)

- Also included in this programme are rubrics designed to assess specific skills, knowledge and competencies, that are developed in Grade 3 Term 2.
- Use these tools during the course of the term to assess learners.
- Record the learners' results in the Assessment Note Book.

#### 4. Term 2 Composite Recording Sheet (sample included)

- Use this form to record a final rating from 1-7 for each learner, for each component of Home Language.
- First, examine all learner records and results for each component, and then decide
  on a rating for each learner and fill it in on this sheet.
- Then, work out the overall rating for each learner, for the term.
- Do this by working out an average rating. If you feel this average rating needs to be adjusted up or down one level, use your professional judgement to do so.
- Remember that it is important to be able to **justify the ratings** you assign to each learner, **based on the evidence** that you accumulate throughout the term.

#### QUICK GUIDE TO SAMPLE ASSESSMENT (SUMMARY)

- Get the required Assessment Tools ready for the term: Assessment Note Book;
   Checklist; Rubrics; and Composite Recording Sheet.
- 2. **Read** the integrated **Assessment Task** for the term.
- **3.** Implement continuous <u>assessment for learning</u> and <u>assessment of learning</u> throughout the term, using all tools.
- 4. At the end of the term, **examine all learner records and results** for each component, as well as the learners' written work, and decide on **ratings of 1-7**. Fill these in on the **Composite Record Sheet**.

#### **PHONICS - SUGGESTED TEST FORMAT**

- 1. Towards the end of the term, set up a test based on all the phonic sounds and words that learners have practiced in Term 2. Select the phonemes that learners tend to struggle with.
- 2. Tell learners to turn to a clean page and write the heading: Phonics Test
- 3. Next, show learners how to fold a page in their books in half, and to number from 1-10 in the margin, and from 11 20 in the middle of the page.
- 4. Explain to learners that you are going to call the number and then a sound or word. They must write the sound or word next to the correct number.
- 5. If learners do not know how to write a sound or word, they must draw a little line next to the number
- 6. Train learners to be silent during tests, and not to look at anyone else's work.
- 7. Compile a list of 5-10 sounds and 10-15 words to call.

#### Tracking of learner performance at the end of the term

The evidence gathered from both **Assessment for Learning and Assessment of Learning practices and situations** will be used to track and report on each learner's performance and progress at the end of the Term and year. The 7 point rating scale will be utilised for this purpose. Below is the composite recording sheet for tracking learner performance and progress.
