

PSRIP Foundation Phase COVID-19 MESSAGING

7 AUGUST 2020

Comprehension Skills

As parents you can help develop your children's comprehension skills at home by asking questions that will help them to:

1. **Predict** what is going to happen in the story.
2. **Remember the events and order of the story.**
3. **Remember details about the story.**
4. **Build his/her own opinion.**
5. **Make connections to the story.**
6. **Learn lessons from the story.**

Refer to Week 9 & 10 of Term 2 Lesson Plans provided on the NECT Website to support your children with the comprehension strategies for the two-week cycle.

"The best teachers are those who show you where to look, but don't tell you what to see" –
