The NECT in consultation with the DBE's Curriculum Team developed the Term 4 **Planner and Tracker** aligned to the Recovery ATPs for Grade 4 to 6 Natural Science & Technology and Grade 7 to 9 Natural Science. The Planner and Trackers are available per grade on the NECT zero rated website (www.nect.org.za).

The trackers provide guidance on (a) changes in the Recovery ATPs, (b) amendments to assessment requirements, (c) reference to exercises in the textbooks and (d) assessment requirements with mark allocations.
